

Environmental Protection of International River Basins (EPIRB)

MEMORANDUM OF UNDERSTANDING

On

Transfer of the Hydrological Monitoring Stations, Including the Installed Equipment
from the EU Funded Project - ENVIRONMENTAL PROTECTION OF INTERNATIONAL RIVER BASINS
(Contract Nr. 2011/279-666 EuropeAid/131360/C/SER/Multi)
to LEPL NATIONAL ENVIRONMENTAL AGENCY of Georgia
(Identification Code 204559691)

This agreement made on the 4th day of September, 2015, by and between the EU Funded Project ENVIRONMENTAL PROTECTION OF INTERNATIONAL RIVER BASINS (hereinafter referred to as EPIRB) for the transfer to LEPL NATIONAL ENVIRONMENTAL AGENCY of Georgia (hereinafter referred to as NEA), accept full title and ownership of the assets as specified in the attached list, hereto as Annex 1 at a total cost of **54,486.00 EUR**.

The assets transferred represent assistance of European Commission via EPIRB for designing and construction of hydrological monitoring stations and rehabilitation of hydro-static monitoring network in the Chorokhi-Adjaristkali pilot basin of Georgia in accordance of the Project Terms of Reference, activity 2.6. that allows implementation of selected Programme of Measures defined by the draft River Basin Management Plan of the Chorokhi-Adjaristkali pilot basin of Georgia.

This agreement ensures full responsibility of NEA for maintenance and post warranty check-up of the transferred and installed equipment after expiration of the warranty period for obligatory maintenance and check-up by a contractor during the 2016-2018. The end-user, that is the Hydrometeorology Department of NEA Georgia guarantees proper operability of the installed monitoring equipment in full compliance to the telemetry system of Hydrological Monitoring Network in Georgia.

IN WITNESS WHEREOF, EPIRB and NEA, through their duly authorized representatives have signed this agreements:
