

Environmental Protection of  
International River Basins Project

This project is funded by  
The European Union

A project implemented by a Consortium  
led by Hulla & Co. Human Dynamics KG

Pilot project fiche  
Pilot project 2 in Ukraine (PPUA02)

<b>Country</b>	Ukraine
<b>Name</b>	<i>The creation of basin institutional structures as a platform for implementation IWRM principles to ensure the sustainability of the EPIRB project results in Upper Prut pilot river basin, including implementation of the River Prut RBMP</i>
<b>Contact person:</b>	Nataliia Zakorchevna <a href="mailto:nataliia.zakorchevna@blacksea-riverbasins.net">nataliia.zakorchevna@blacksea-riverbasins.net</a>
<b>Budget</b>	19,900 Euro
<b>Timing</b>	2 Mar 2015 – 31 October 2015
<b>Short description</b>	<p>The objective of following pilot project is <b>to assist in the development of an institutional framework to deliver IWRM in the River Prut basin</b> and the creation of the model of integrated water resources management as a platform of implementation IWRM principles on basin level in Upper Prut pilot river basin. There are three main outputs:</p> <ol style="list-style-type: none"> <li><b>1. Enhanced basin management structure</b> <ol style="list-style-type: none"> <li>1.1. Regulations for basin management in the River Prut</li> <li>1.2. Establishment of the River Basin Council, consultation body</li> </ol> </li> <li><b>2. Preparation of the Inter-agency basin agreements on cooperation in the use and protection of water resources and ecosystems of the Prut River Basin</b></li> <li><b>3. Preparation of the Documents for the creation of the Prut River Basin Council: Regulation of the work, provision of the Basin Council etc.</b></li> </ol>
<b>Outputs</b>	<p>These outputs will complement the RBMP being developed for the River Prut on the territory of Ukraine under the main EPIRB project. Will be preparing the Final Report to include a summary of activities and lessons learnt.</p> <p><b>Deliverable 1:</b> Inception report  <b>Deliverable 2:</b> Development of inter-agency basin agreement on cooperation in the use and protection of water resources and ecosystems of the Prut River Basin  <b>Deliverable 3:</b> Preparation of the Documents for the creation of the Prut River Basin Council: Regulation of the work, provision of the Basin Council etc.  <b>Deliverable 4:</b> Concept for basin Information management system (IMS) and draft agreement on information and data exchange.  <b>Deliverable 5:</b> Final report to include a summary of activities and lessons learnt.</p>
